Stopping by Woods on a Snowy Evening

Whose woods these are I think I **know**.

His house is in the village, **though**;

He will not see me stopping **here**

To watch his woods fill up with **snow**.

My little horse must think it **queer**

To stop without a farmhouse **near**

Between the woods and frozen **lake**

The darkest evening of the **year**.

He gives his harness bells a **shake**

To ask if there is some **mistake**.

The only other sound's the sweep

Of easy wind and downy **flake**.

The woods are lovely, dark and **deep**,

But I have promises to **keep**,

And miles to go before I **sleep**,

And miles to go before I **sleep**.
